

# BEAUBIEN ELEMENTARY

August 17, 2016

Dear Beaubien Families,

It is hard to believe that the start of school is right around the corner. I wanted to give you a brief update on the status of our school. First and foremost is the safety of our children. As of today, I am still awaiting a final report on the lead testing that was done earlier in the summer. I have been assured that results will be released soon. When I get the results I will robo call everyone and a letter will be sent out.

Secondly, I want to assure you that although there will be changes for the upcoming year, ALL of our core academic programs will remain intact for the 2016-2017 school year. A letter will be sent next week with more details as well as a few reminders for the new school year.

As always, please reach out to me if you have any questions. My email is [mhludford@cps.edu](mailto:mhludford@cps.edu) or you can reach me at 773-534-3500.

Warm regards,  
Michelle Ludford
