Welcome one and all to Beaubien!

Greetings Beaubien Bulldog Families,

We are so excited to launch the new school year on Tuesday, September 8, 2020. Although we're not able to start with in-person learning, students will be engaged in a more robust remote learning experience than last Spring. Our teachers have started coming to school to set up their classrooms, plan and get materials ready to pass out at our School Supply Pick-Up.

All homeroom teachers in 1st - 8th grade will be hosting a Virtual Meet and Greet Orientation on Thursday, September 3, 2020 at 5:00 p.m. This will be a time to meet your child's new teacher, gain important information about the remote learning schedule, be informed of expectations, and ask questions. Homeroom teachers will be emailing you a link to join the meeting. We will record the meetings if you are not able to attend or if you have children in multiple grades.

We invite you to join our Beaubien Supply Pick-Up on Friday, September 4, 2020 from 9 a.m. - 12 p.m. and from 1 p.m. to 4 p.m. During this time, all students will have a bag of school supplies to take home to ensure that they have everything they need to make remote learning successful. Please only send **one** parent/guardian to pick up supplies. You must wear a mask and maintain social distancing at all times. We will also be handing out school chromebooks to those who need one. Please be sure to check out our **TECH CONNECT** page to fill out a request as well as get some great hints and tips to make this remote quarter successful. A BIG thank you to Mrs. Sineni for creating this incredibly helpful site.

OUR VIRTUAL BEAUBIEN SCHOOL DAY for students will be from 7:45 am - 2:45 pm. Your child's specific hour-by-hour breakdown will be shared with you during the virtual Meet and Greet on September 3rd. A copy of each student's schedule will also be in their supply pick up bag. Below are general instructional minute requirements that you can expect. Synchronous refers to LIVE real-time instruction with the teacher on Google Meets.

Asynchronous (learning activities) may include teachers providing additional small group instruction, teachers providing structured interventions, independent learning activities such as self-directed projects, assignments, and physical activity. Also, during asynchronous learning, teachers can be available to support students in asynchronous tasks, or teachers may host formal office hours for families and students. Please note that CPS is creating all of our teachers Google Classrooms and hope to have them ready to push out to our families to join on September 1st. Be on the lookout!

Final Reopening Framework

- Pre-K: 60 minutes of real-time instruction and 90 minutes of learning activities
- K-2: 180 minutes of real-time instruction and 180 minutes of learning activities
- 3-5: 205 minutes of real-time instruction and 155 minutes of learning activities
- 6-8: 230 minutes of real-time instruction and 130 minutes of learning activities

Student Supply Pick Up

The team has been working to prepare student supplies for this upcoming year. Supply pick up will be on Friday, September 4th. PLEASE be sure to stop by the school playground from 9-12 or 1-4 to pick up your child's bag with school textbooks needed for remote learning. If you are in need of a chromebook, please fill out this [FORM](#). We will have one ready for you to pick up at a table near Door #7. If you are unable to make it, you will be able to pick up supplies during school hours the first week of school at Door #7. You can also email your child's homeroom teacher to arrange another time.

PLEASE Join the PTO

We would not be the school we are if it weren't for the events they organize and their financial contribution to our school.

Family membership is only \$15. Bring cash or a check made out to Beaubien PTO to our supply drop off or bring to door #10 during the school week between the hours of 9 am - 1 pm.

Need Technology Information?

Please click this [LINK](#) or look on the school website main page to access technology information. You can find the link to *Chicago Connected* for internet information, access helpful hints for our chromebooks, and so much more.

Make sure all our students have what they need for a successful year!

Did you know that each year our CPS budget just barely covers the salaries and benefits of our teachers and support staff? We could not operate without additional funding to cover books and instructional materials and school supplies that impact our entire student population. In order to maintain the high quality of education we expect at Beaubien, we rely on mandatory student fees to help cover additional critical areas of need not accounted for in the budget from CPS.

To Pay Student Fees:

- [PLEASE pay the \\$75 School fee here](#)
- Please click "one-time payment" on the page.
- If you do not know your child's identification number, you can just place zeros in the box.

Olweus Anti-Bullying Rules

- We will not bully others.
- We will help others who are being bullied.
- We will include students who are left out.
- If we know somebody is being bullied, we will tell an adult at home and an adult at school.
